### PRIVATE HIRE

We are reviewing the government guidelines for social gatherings and hope to be able to offer evening private hires for restricted numbers of people soon.

Please watch the website & social media for more information.

## 2020 TIMETABLE

YOU WILL SEE THAT WE ARE OPERATING A VERY DIFFERENT TIMETABLE FROM USUAL, AND ALL SESSIONS ARE TIMED.

You must book and pay for your swim in advance, by phone or email. If you book by phone, please have your payment card ready. If you email, please provide a phone number so we can call you to confirm your booking and take payment.

We realise that sometimes you can't plan that far ahead. Our sessions will remain open until 1 hour before they start, as long as there is space, to give you maximum flexibility.

Booking will open approximately one week ahead for each week of the season.
