The Lido needs your support

More than 50 years ago, the people of Chipping Norton ran a weekly lottery to raise the funds to build a swimming pool.

Now, many years after returning the pool to community control, the Trustees of The Lido are promoting the lottery again in order to raise vital funds to keep the facility open for future generations.

The Lido plays an important role in the recreational and social life of the town but, with our only source of public funding a small grant from Chipping Norton Town Council, we also need to raise funds to help cover our running costs.

The lottery is a way of raising some of these funds while also giving something back to our supporters.

How it works

To make things simple, subscriptions are paid by standing order on the first day of each month.

Prize money will be paid direct to the winners' bank accounts within 5 days of the draw's taking place. A list of the winners for the current month will be displayed at The Lido and on our website.

A complete list of winners will be maintained by the Trustees. In the interests of fairness, each draw will be attended by at least two Trustees and one independent witness.

The Lido Lottery is open to anyone over the age of sixteen.

Prizes

The Lido Lottery will be drawn on the 10th day of each month, with prizes allocated as follows:

1st prize:

25% of subscriptions (£150 if 200 tickets are sold)

2nd prize:

15% of subscriptions (£90 if 200 tickets are sold)

3rd prize:

10% of subscriptions (£60 if 200 tickets are sold)

There is no minimum period for subscription. If at any time you wish to withdraw from the Lottery, you simply contact your bank and cancel your standing order.

The objective of the Lido Lottery is the collection of funds to support the operation and upkeep of Chipping Norton Lido. All proceeds, after deduction of administrative costs, will be given to the charity.

The controls of the Lottery and administration of the funds are the responsibility of the Trustees of Chipping Norton Lido Ltd. and all decisions relating to any matters regarding the Lottery or the fund should be referred to them.

Other ways to support us

Legacy Giving

Leaving The Lido a gift in your will means that your money can continue to support the facility and secure it for future generations to enjoy.

Whether leaving a fixed gift or a share of your estate, there are a number of ways to remember us in your will.

Leaving a gift to The Lido can be relatively straightforward, but we recommend discussing a bequest with a qualified professional, such as a will writer or solicitor.
